

9-2A-3: ACCOUNTING; USE OF FUNDS:

The county treasurer is hereby directed to accumulate these funds in a separate account designated the "endangered species conservation account" and to hold the funds collected to be expended upon endangered species issues, including a habitat conservation plan as directed by the county commission. This account shall also hold, accumulate and disburse funds under the direction of the county commission that are received from participating cities and towns. (Ord. 547, 8-30-1993, eff. 10-1-1993)
